

Many Local Notes

Miss Edie Anderson one of our high school teachers who has been quite sick for several days we are glad to note was able to take up her duties in the school room Wednesday of this week.

W. S. Hollifield of the People's Store raised enough money by donations from our citizens this week to have the fence about the park fixed up in good shape and work is to be commenced right away. This is fine, now who will be next to raise the fund for the replacing of the windmill. He states also that he will give his share toward it.

The family of W. S. Bingham living in the south part of town are said to be recovering from a severe case of the whooping cough which they have experienced.

Eugene Kindel has accepted a position with the Star Drug Co. which finished moving their stock of goods from the post-office building on south side to the old Lovington Pharmacy building on the west side Wednesday of this week.

Mr. Cecil Yados drove home two nice Jersey cows which he purchased Wednesday of J. J. Harper.

Mr. Dow and son of Seminole were over looking after their telephone interest here.

Prof. Puryear of Plainview has been visiting in Texas for about two weeks but was in Lovington Wednesday of this week.

D. H. Coleman of Knowles in company with several other gentlemen of whom we did not learn the names was in Lovington one day this week.

Mr. and Mrs. Taylor accompanied by Mrs. R. M. Fletcher were in from their ranches near the cap rock one day this week. Mrs. Fletcher inviting several guests out from town to attend a birthday dinner next Saturday given in honor of her 13 year old daughter and her governess Miss Walker whose birthdays are only a day or so apart. Hence the dinner will be given in honor of both. A nice time is anticipated.

C. A. Davis, last week, moved to the Russ Anderson residence in the north part of town, but only temporarily however as he has lumber on the road for which to build a new house on his lots just north of Dr. Dearduff's residence.

We learn that Miss Ethel Taylor and Mr. Leon Franklin living near the Cap Rock were united in marriage at Seminole one day last week.

Mr. and Mrs. G. H. Gowan and son Garret Gowan and wife intended leaving for Ft. Worth Thursday of this week in their auto, to celebrate Mr. and Mrs. G. H. Gowan's fiftieth wedding anniversary and a reunion of relatives of which they expect a number of about one hundred and fifty to be gathered at their old home at that place. They intend spending a month, returning by June 1st. Mr. J. Williams has been secured to look after their places during their absence.

Mr. and Mrs. J. E. Cooley left for their old home at Midland this week. Mr. Cooley having sold his interest in the Lovington Auto Co. at this place. Mrs. Cooley was in very poor health and wished to be nearer her mother who lives at Midland was one cause of their leaving. We regret to lose them from our midst as both Mr. and Mrs. Cooley had made many friends while here as well as the little ones among their playmates. However we hope that she will improve and wish them success where ever they go.

Mrs. Mary of Snyder, Texas, sister to Mrs. Stiles of this place is here on a month's visit to Mr. and Mrs. Stiles and is also trying our climate as a health restorative, stating that she is feeling much better since coming here two weeks ago, and anticipates returning to make their home among us in the early fall.
